SKILLS

- **Languages**: C++, JAVA, JavaScript, C, HTML and CSS.
- **Frameworks**: AWS Cloudformation, Serverless framework.
- **Tools/Platforms**: MySQL, AWS, Docker, Kubernetes, Blender, Git, GitHub.
- **Soft Skills**: Problem-Solving Skills, Team Player, Project Management, Adaptability.

Training

- **Geeks For Geeks – Summer Training** — Aug 2024
  Data Structure of Algorithms With C++

  About: Gained in-depth knowledge of fundamental and advanced data structures (arrays, linked lists, trees, graphs, etc.).

  - Implemented various algorithms (sorting, searching, dynamic programming, recursion, etc.) in C++.
  - Solved multiple coding problems on platforms like GeeksforGeeks and LeetCode.
  - Developed problem-solving and competitive programming skills.
  - Worked on real-world case studies and coding challenges.

PROJECTS

Cloud File Storage System (Lambda / S3) / REST API) — Nov 2024

- Developed a secure cloud-based file storage system using **AWS S3, Google Cloud Storage, Python (Flask), and Kotlin(Android).**
- Implemented a **REST API** for uploading and retrieving files using **pre-signed URLs**, ensuring secure access control.
- Built an **Android app** for file selection and uploads, integrating **Firebase Storage** for seamless cloud storage.
- Optimized storage management with **IAM roles, object ACLs, and AWS Lambda automation** for automatic file del.

Cloud Storage Android App (Firebase / AWS S3) — Jan 2024

- Developed an Android application for secure cloud file storage using Kotlin and Firebase Storage / AWS S3.
- The app allows users to select, upload, and retrieve files from cloud storage, ensuring seamless access across devices
- Integrated Firebase Authentication for secure login and pre-signed URLs for controlled file access.
- Implemented **upload progress tracking, real-time database updates, and UI optimizations** for a smooth user experience.

CERTIFICATES

Certificate	Date
Data Structure and Algorithm - Self Paced (C++) GFG	Oct 2024
Social Networks - NPTEL	Jun 2024
Generative AI with Large Language Model Coursera	Apr 2024
Programming in C++: A Hands-On Introduction Coursera	Mar 2024
Prompt Engineering for Chat GPT - Coursera	Feb 2024
AWS Cloud Practitioner Essentials - AWS	Nov 2023
AWS Cloud Solution Architect - Udemy	Sep 2023

ACHIEVEMENTS

- **Ranked in the Top 1000** in **LeetCode Biweekly Contest** — Feb 2025

  Secured a Rank Among the Top 1000 in a **LeetCode Contest**, demonstrating strong problem-solving and competitive programming skills.

- **Received Letter of Recommendation from Tech - A - Intern** — Aug 2023

  Received Offer Letter and Letter of Recommendation from Tech-A-Intern in Web Development and designing.

Education

- **Lovely Professional University** — July 2026, Punjab , India
  Bachelor of Technology in Computer Science - **CGPA** - 6.00

- **R.K Mission School** — May 2022, Uttar Pardesh , India
  Intermediate – **CGPA** - 8.20

- **S. Atma Singh Public Sen. Sec. School** — May 2020, Punjab, India
  Matriculation- **Percentage** - 90.00
